AUG 2025 - PRESENT

Ensuring precision and accuracy in file preparation for Digital and Flexographic presses. Maintaining organization to simplify workflow while sustaining operational structure in the fast-paced environment. Instilling quality and customer loyalty by communicating best practices when issues arise.

Continuud
Graphic Design Remote Internship

Indianapolis, IN
JAN 2024 - JUNE 2024

Created marketing assets, such as social media posts and print collateral that focused on providing easier access to HIV care in the Indianapolis metropolitan area. Created cohesive logos for GoLynq, ProLynq, and MyLynq products that reflected a similar visual style to the existing InLynq logo, all while adhering to Continuud's brand guidelines. Integrated designs into automation program, Abyssale.

Design Center
IUS Class Internship

New Albany, IN
JAN 2023 - MAY 2024

Class internship set up like a small design firm. Tackled many Junior Designer roles as well as Project Manager roles. Worked on various projects for logo designs, social media posts, posters, etc. Most notable was when my design was chosen for the 2024 Graphic Design Prospectus, where I had both responsibilities as the Senior Designer and Project Manager.
